ABOUT THE CONCERT

Join in helping our North Bay neighbors stand strong as they recover and rebuild after the devastating fires. Together we are more powerful than any of us alone.

Band Together 2: A Holiday Concert for North Bay Fire Relief will benefit the Tipping Point Emergency Relief Fund, which helps low-income and vulnerable populations to recover and rebuild. The fire destroyed not only homes and schools, but access to healthcare for tens of thousands. Concert proceeds will support organizations like Santa Rosa Community Health, which provides primary healthcare and health education to underserved individuals and families regardless of their ability to pay. Approximately 24,000 of Santa Rosa Community Health's patients, lacking any other source of care, have been medically displaced. In Santa Rosa and across the North Bay, the fires have stretched already limited resources thin, threatening long-term well-being.
